15 November 2013

Dear Siobhan, Staff & Pupils,

On behalf of everyone at GOAL, I would like to express my gratitude for your donation of €860 to our Haiyan Appeal.

We deployed our highly experienced Emergency Response Team soon after the extent of the loss of life and terrible damage became apparent. The priority needs now are food, water and shelter and GOAL has begun to provide life-saving assistance to those most affected thanks to your generosity.

The Philippines has endured many Typhoons and is well practiced in responding to damage but the force of this storm exceeded anything seen before. We will continue to work with the most vulnerable to help them rebuild their lives in the months ahead.

GOAL is currently operational in 14 countries. We launched an emergency response programme in northern Syria where we are delivering a monthly food ration and other aid to 120,000 people. GOAL is also delivering food vouchers to 133,000 people in the war-torn country.

Some of our other projects include:

- Addressing the nutritional needs of thousands of Somali refugees in Buramino camp in Ethiopia,
- Providing disadvantaged street children with education and a multifaceted drop-in shelter in Freetown, Sierra Leone,
- Building and maintaining 29 health clinics in South Sudan which provides preventative and curative care to displaced communities.

Without your generous support, our sustained efforts on behalf of the poorest of the poor would not be possible.

Thank You

Barry Andrews
GOAL CEO

*Really appreciate the effort
Thanks again*
